### **COMMITTEE REPORTS**

#### **Art Walk- May 16<sup>th</sup> (Kayla Hemans)/Auction (Rebecca Broadbent)**

Theme- 'Imagine the Possibilities'

Looking into getting some Chihuly glass donated.

Guitars donated?

Hoping to get art docents to do art projects with each class.

Liz requested that a flyer is given to Ms. B at the front desk.

#### **School Store (Sheri Walker)**

Sheri Walker was excited to share some of the new product for the store. She got some new key chains and bracelets with panther paws on them.

#### **Leader In Me (Chris Larson)**

On Friday, March 7<sup>th</sup> we will be having a Leadership day where other schools have a chance to observe our 'Sharpen the Paw' program.

#### **Art Docent (Alicia Suszko)**

Alicia is looking for someone to replace in her for the 2014-2015 school year.

#### **Membership (Brandy Hackney)**

We are still at 80 members. We were awarded the bronze medal award.

#### **Box Tops**

Mrs. Guzley is looking for someone to take over the box tops. She is hoping to eventually get the kids involved. We received a check in December that was over \$1000.

### **Treasurers Report (Rebecca Broadbent and Janet Raynor)**

Rebecca and Janet have served two years as treasurer and we will need a new treasurer for the 2014-2015 school year.

We discussed Mr. Miles using his PE money. Questions were brought up about Field Day and whether we were going to get a bouncy house this year. Liz will ask her friend that owns a rental place to see if any dates will work with a date for our field day.

### **Family Fun Night (Rebecca Broadbent)**

Family Fun Reading Night is Friday, February 28<sup>th</sup> from 6-8:30. Entertainer Alex Zerbe will be there. There will also be 'Reading with Rover' and literacy activities by Mt. Pilchuck Teachers.

Rebecca is looking for teacher volunteers and parent volunteers to help serve ice cream in the Mt. Pilchuck gym.

April 18<sup>th</sup> we will be having a Family Fun Night at 'Leading Edge Gymnastics'.

### **New Business**

#### **Bricks 4 Kids**

Chris Larson discussed having 'Bricks 4 Kids' after school. They are 4-8 week sessions where students will design and build educational models including motorized machines. It is \$60 per child. Some members think this is a bit too high for our school. Chris Larson will do more research and possibly send out a flyer to kids to see how many would be interested. Courtney Bennett will also contact 'Playwell Technology' to see what they would charge to come to our school.

#### **Fundraising**

Liz brought up the idea of asking teachers to auction off things such as 'movie night in the classroom' or 'ice cream social in their classroom'. This could also be part of the Art Walk auction baskets.

#### **Talent Show**

Mrs. Peterson is working on this event.

#### **5<sup>th</sup> Grade Graduation**

We are going to figure out who is in charge of this committee.

\*There will be no meeting at the school March 13<sup>th</sup> because of Kindergarten orientation. We are going to ask 'Bob' if we can have our meeting at the community center at 'Constitution Park' (in the Military housing) at 7:00 on March 13<sup>th</sup>.

**MEETING ADJOURNED: 4:59pm**
